## Temperance Movement.

The Ladies' Temperance League has not been actively engaged since our last report, owing to the inclemency of the weather during the latter part of the past week.

A prayer meeting has been held every day. On Friday evening, the two Leagues, Ladies' and Gentlemen's, held a joint session. At this meeting it was decided to canvas the city for signatures to petitions to the Constitutional Convention, asking that body to pass Judge West's proposition concerning the sale of liquor. The following committees were appointed for this work:

First Ward.—MRS. AMANDA COLE, MRS. CARRIE GRAHAM, MRS. SARAH GRAHAM and Mrs. CLINE.

Second Ward.—MRS. MARY J. SKES, MRS. EMILY BROWN, MRS. CARRIE OLIVER, Miss FANNIE MARTIN and Mrs. M. JOLLY.

Third Ward.—MRS. JANE HOWELL, MRS. REBECCA HAMILTON, MRS. ROSE CHROMINGER, Miss CAROLINE MCCARTHY, MRS. FLORA MOLLIGAN and Mrs. CELIA COLE.

During the week these committees have been out procuring signatures, and have succeeded admirably. The League will probably turn out in a body until after the passage of the beer ordinance. The visiting committees were out on Tuesday making their regular calls on saloonists. The League telegraphed to Mother Stewart, at Pomeroy, asking if she could be present with them. She replied that it was impossible to do so, as she was compelled to go to Iron-ton, and passed down on the steamer Hudson for that place on Sunday evening.

The Chickamauga Grange of Patrons of Husbandry, in council assembled on Wednesday, sanctioned and approved the present temperance movement in our city. A committee prepared and sent to the Secretary of the League the following resolution:

Resolved, That we fully endorse every effort that tends to the advancement of the Temperance Cause, and will assist you with our sympathies, our aid and our example, hoping that the cause of Temperance may triumph throughout the land.

A petition from Walnut township, endorsing the West proposition and containing 88 signatures, all legal voters, was received by the League on Tuesday. The ladies request that petitions from the balance of the townships be sent in at once, to be forwarded to the Convention.

On Tuesday evening, the League presented a petition to the City Council for the passage of the beer ordinance.

SMELTING COMMITTEE.—At the meeting of the Board of County Commissioners on Saturday, they appointed a committee of three to examine the books of the Clerk, Auditor, Prosecuting Attorney and Treasurer, to see whether the balance sheets would tally. The committee consists of D. B. HEBARD, SAMUEL HALLIDAY and DANIEL MAUCK. This Committee has no power to send for either persons or papers. When they will meet, where they will meet, what they will do when they do meet we know not. There is nothing wrong—not any. "A friendly eye could never see such faults."

Mr. HENRY L. MILLER recently bought new goods in New York City, and in bringing them over the B. & O. R. R., several of the boxes were broken open and goods stolen. The company sent on an adjuster, who, in company with Mr. M., fixed the loss at \$108 68.

## Organization of the City Council.

## Beer Ordinance Passed.

The new Council met at the Council Chamber Tuesday evening. Mayor BIRD called the body to order, and administered the oath of office to the new members. W. T. MINTURN, Esq., of the First Ward, was elected President. Upon assuming the chair he spoke as follows:

GENTLEMEN.—I return thanks for this honor, and in accepting the position which you have been pleased to place me in, I do it with much hesitancy, and with the knowledge of its having been so ably filled in the past year, and there being other members who are much more competent for the position, and in the outset I shall beg your patience and forbearance in the decision of questions that I may be called upon to decide, and trust that our meetings for the present year may be as harmonious and pleasant as the year just past.

I wish to call your serious attention to one or two matters of the utmost importance. I refer particularly to the financial condition of our city, and I presume that few of you are aware of the amount of the debt we have upon us. In the first place the bonded debt of the city is \$130,554 17; estimated City Orders outstanding, \$2,000, which, in round numbers makes our City debt \$140,000. The interest alone on this large amount annually is \$9,800. I need not urge upon you the necessity of the most rigid economy in the various departments of the city, and I trust the chairman of each committee will see to it that that economy is exercised which will insure us a large reduction of the debt in the next year. The Committees will be named at our next meeting.

H. N. BAILEY was elected Vice President. D. C. COWDEN re-appointed Wharfmaster. Commission ten per cent.

The Assessors' bonds were presented, accepted and filed.

J. Q. WALKER and T. S. FORD were re-appointed members of Board of Health from the First Ward.

Mr. BAILEY offered an ordinance prohibiting the sale of ale, wine, beer and port in the city, which was read, and on his motion the rules suspended and passed by the following vote: Yeas, BAILEY, HUTCHINS, MOLLIGAN, MAXON and MINTURN; nays, ALDERMAN.

The ordinance takes effect June 1st, 1874.

All the old Supervisors were re-appointed.

A barge load of ice, all the way from Lake Pepin, on the upper Mississippi, reached our wharf Thursday morning. It contained near two hundred tons, and belonged to Mr. H. H. NEAL and Messrs. BOVIE & JERMAN. It cost delivered \$10 per ton, and is of an excellent quality.

A BIG FAIR.—The Board of Directors of the Gallia County Agricultural Society, will meet at the Secretary's office, in this city, next Saturday, to make general arrangements for the next Annual Agricultural Fair and revise the premium list as reported by the committee heretofore appointed to prepare the same. It is the intention of the Board to increase the premiums offered from fifty to one hundred per cent. This will increase the competition and interest. The Board will appoint the awarding committees and officers of the grounds on next Saturday. The premium list may appear by the first prox. Let all get ready for the next Fair. Let it be a big one.

M. MOSES has reduced his prices this day 2 1/2 per cent. to 1 per cent. The reason I have reduced prices is, I buy for cash, and all cash buyers can get a small discount. Remember, one man's money is as good as another's, therefore I sell to everybody alike.

## Cheaper Than Dirt.

Now comes A. MOCH and says that he has the largest and best selected stock of Clothing in the city, and will satisfy anybody without showing any duplicate bills and then charging 2 1/2 per cent. He also says that his goods are cheaper than any other house here can sell them; for one reason, he discounts no bills, but pays for his goods cash down when bought.

Come one and all, examine and satisfy yourselves. No charges for showing the goods, and never gets mad at customers for not buying. So be not afraid to come and post yourselves in the prices, and save your money for a rainy day.

A. MOCH.  
[ap.16.4w]

Mr. A. MOCH brags largely over the quality of his goods. Mr. M. MOSES wishes the public to understand that his goods are everywhere the equal of any in the market. Mr. MOSES pays cash for his goods, and generally does what he agrees to, selling at 1 per cent. profit sure.

To ASSESSORS.—We hope the several township assessors will take the trouble to induce their constituents to make full reports of statistics in their respective townships. In addition to the usual statistics, tax-payers will be required to furnish this year the names of the deaf and dumb, blind, insane and idiotic, in each of their families. Nothing contributes more to the showing of a county than full and complete statistics. Let each of our readers furnish the required information as fully as possible.

Miss HATTIE A. ANDREWS has just returned from the city where she has been to purchase her stock of Spring Millinery and Fancy Goods, which have arrived. Miss ANDREWS well known skill and taste in catering to the ladies of our county, together with the most liberal prices, has built up for her a rousing trade. Those ladies who wish to see just all there is in the market this Spring that is new, elegant and stylish, should call at Miss ANDREWS'.

JAMES GRANTON has been elected Mayor of Centerville.

Mr. JAMES PRESTON, of Green township, has one of the largest peach orchards in the county. We met him on Monday, and he expressed the opinion that there are enough peach blossoms left unknilled to make a fair crop.

## Acknowledgment.

Through the kindness and liberality of Mr. J. R. SMITH, the pews in the Presbyterian Church have been neatly numbered. The Society, through its Board of Trustees, make the following deserved acknowledgment to wit:

Resolved, That the handsome porcelain numbers which adorn our pews, once more remind us of the many liberal offerings donated by our late fellow-townsmen, Mr. J. R. SMITH, now of Dover, Delaware.

Resolved, That while we regret the circumstances which severed his connection here, we rejoice at the evidence of a still lively interest in our affairs.

WM. S. NEWTON,  
JAS. MULLINEUX,  
Committee.  
Gallipolis, O. April 10, 1874.

The new Board of Township Trustees met in this city on Monday, and organized by electing WILLIAM WALKER, President. The bonds of the several township officers were received, accepted and approved, and all duly qualified according to law.

Mr. JOHN PEPPEL at the upper wharf, has a load of Cedar Grove coal from TOMPKIN'S bank, on the Kanawha. We have tried it, and we prefer it to the Pittsburgh coal for common grate purposes. It makes a bright, hot fire, and leaves but few ashes. It is being sold as low as other coal. Try it.

To get the latest style hat to be found in this city, call at MAUCK & BRANDYBERRY'S. They will fix you out to a dot.

Fire.—Monday morning a fire broke out at a tenant house on Front street, belonging to Mrs. KERR, and occupied by Victor DONNET and a Mrs. JONES. The fire was caused by sparks falling from a chimney upon the roof. The application of a few buckets of water did the work before the arrival of the Fire Department, which, by the way, was promptly on hand as it always is. Damage considerable.

MAUCK & BRANDYBERRY'S piece goods are the finest ever offered in this market. Call before they sell out.
